OSA-2630-63

31 MAY 1963

MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Staff Employment - [REDACTED]

1. This memorandum contains a recommendation for your approval in paragraph 4 below.

2. [REDACTED] was approved for staff employment as a GS-14 under public law 82-53 by the Deputy Director of Central Intelligence on 22 April 1963. Because of [REDACTED] exceptional talents and vast experience in the Air Operations Intelligence field, it would seem appropriate to offer him the third step of a GS-14.

3. As a [REDACTED] with flight pay, [REDACTED] earned approximately \$15,000 per annum. As a GS-14, he would be earning \$12,845 per annum. At the GS-14-3 rate, he would be earning \$13,695 per annum; thereby, making the fiscal adjustment less difficult. While it is obvious that a desire to ease the fiscal conversion problems of [REDACTED] cannot be overriding, the fact remains that [REDACTED] is an invaluable asset to CIA and provides OSA with a combination of talents seldom found in a single individual. In consideration, therefore, of his value to the Agency, appointment as a GS-14-3 would be appropriate.

4. It is recommended that you approve the staff employment of [REDACTED] as a GS-14-3.
